TELEHEALTH

(1) “Telehealth” and “Telemedicine” are defined in Rules 162(X) and (Y). The healthcare services listed in Appendix P of CPT® and Division Z-codes (when appropriate) may be provided via telehealth or telemedicine. The provider shall append modifier 95 to the services listed in Appendix P to indicate synchronous telemedicine service rendered via a real-time interactive audio and video telecommunications system.

All healthcare services provided through telehealth or telemedicine shall comply with the applicable requirements found in the Colorado Medical Practice Act and Colorado Mental Health Practice Act, as well as the rules and policies adopted by
North Dakota

ND Admin Rule 92-01-02-34 states:
(3) Medical service providers shall request prior authorization directly from the claims analyst for
the items listed in this subsection. The claims analyst shall respond to requests within fourteen
days.

(d) Telemedicine. The organization may pay for audio and video telecommunications instead
of a face-to-face "hands on" appointment for the following appointments: office or other
outpatient visits; new and established evaluation and management visits; individual
psychotherapy visits; and pharmacologic management visits. As a condition of payment,
the patient must be present and participating in the telemedicine appointment. The
professional fee payable is equal to the fee schedule amount for the service provided.
The organization may pay the originating site a facility fee, not to exceed twenty dollars.
