RE: Case Number: 2021002717, FWP and MFPE - Petition for Unit Clarification

Dear Parties:

This letter is to confirm the Board of Personnel Appeals (Board) has received the attached petition for unit clarification. The Board is unable to process this unit clarification request.

Per the Administrative Rules of Montana 24.26.1042 (1)(d), a petition for unit clarification may be filed if "no election has been held in substantially the same unit within the past 12 months immediately preceding the filing of the UC petition."

Because a card check election for the unit in question was certified on December 10, 2020, the unit clarification petition filed on April 29, 2021 does not meet the time frame requirements outlined in 24.26.1042 (1)(d) and the Board is unable to process this request.

Sincerely,

A handwritten signature in black ink that reads "Wendy Jackson". The signature is written in a cursive, flowing style.
