Re: Part 48 Training Plans
Cooperative Instructor

Dear Mr. Page:

The revisions to the above referenced training plans filed per the provisions of 30 CFR Part 48 Subparts A and B (Underground, Surface) have been reviewed and approved. The revisions consisted of updating the complete training plans. Please be advised the underground training plan has only been approved for 32 hours and the remaining 8 hours must be conducted at the mine.

MSHA is requesting that all operators and contractors notify the District Office at least 14 days prior to any scheduled "Annual Refresher" training, as per MSHA regulation 30 CFR 48.23(e).

Any future changes or revisions to your approved training plan must be submitted to and approved by the District manager. If you have any questions, please contact the Educational Field and Small Mines Services office at (303)231-5434.

Sincerely,
