The remittance along with a completed FBI fingerprint card(s) for each controlling person must be submitted to the Montana Department of Labor/ERD, 1315 Lockey Ave, Helena MT 59601.

(iv) At the conclusion of any background check required by this section, the department must receive the criminal background check report but may not receive the fingerprint card of the applicant or of any controlling person. Upon receipt of the criminal background check report, the department of justice shall promptly destroy the fingerprint card of the applicant and of any controlling person.

(c) If an applicant or any controlling person has a history of criminal convictions, then pursuant to 37-1-203, the applicant or controlling person has the opportunity to demonstrate to the department that the applicant or controlling person is sufficiently rehabilitated to warrant the public trust, and if the department determines that the applicant or controlling person is not, the license may be denied.

If your license is denied for a criminal conviction, the department will allow the applicant or control person 30 days to appeal the decision. The following information is provided for the control person to obtain a copy and/or challenge their record.

You are required to provide the following:

1) Your written request
2) Payment for the $18 processing fee, either by certified check or money order payable to the US Treasury.
3) A current, original tenprint fingerprint submission (not previously processed) taken by a local law enforcement agency and bearing your name, date of birth, and place of birth.

How do I challenge my record? If after reviewing your record, you believe it is inaccurate or incomplete, you may challenge the record by contacting the agency that originally submitted the information or by sending your challenge to the:

FBI’s CJIS Division

Clarksburg WV 26306

The Correspondence Group will contact the appropriate agencies in an attempt to verify or correct the challenged entry for you. Upon receipt of official communication from the agency with jurisdiction over the data, the FBI will make appropriate changes, if necessary, and notify you of the outcome. Updating your FBI criminal history record can include having final disposition data entered, cases expunged, pardons entered, a conviction level changed, or rights restored. When challenging, you should submit any supporting documentation you have in your possession that indicates the final outcome of the arrest(s).

Your FBI Identification Record may not reflect all instances in which you were arrested and fingerprinted. The FBI maintains criminal history records voluntarily submitted by local, state, federal, and certain international agencies. You may need to contact the arresting agency or the repository of the state in the arrest(s) occurred for criminal history record information.
